Abdomen
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 15. Biphasic computed tomography with mesenteric evaluation of acute mesenteric ischemia (McLeod and others) (EBS) 491

Abdominal injuries
Penetrating thoracoabdominal injuries in Quebec: implications for surgical training and maintenance of competence (Bergeron and others) (OA) 284
Prospective evaluation of the hand-held focused abdominal sonography for trauma (FAST) in blunt abdominal trauma (Kirkpatrick and others) (OA) 453
Seat-belt injuries in children involved in motor vehicle crashes (Santschi and others) (OA) 373

Abdominal neoplasms
An unusual presentation of a secondary extramedullary plasmacytoma in a patient with multiple myeloma (Dzierzanowski and Porter) (CN) 75

Accidental falls
Synchondrosis fracture in a pediatric patient (Reilly and Leung) (CN) 158

Accidents, traffic
Endovascular management of traumatic thoracic aortic injuries (Lawlor and others) (OA) 293
Noncompliance with seat-belt use in patients involved in motor vehicle collisions (Ball and others) (OA) 367
Seat-belt injuries in children involved in motor vehicle crashes (Santschi and others) (OA) 373

Acute disease
2004 MacLean–Mueller Prize. Enteral or parenteral nutrition for severe pancreatitis: a randomized controlled trial and health technology assessment (Louie and others) (MMP) 298

Adenocarcinoma
Implantation metastasis from adenocarcinoma of the colon into a fistula-in-ano: a case report (Gupta and others) (CN) 162

Administration, topical
Locally applied molgramostim improves wound healing at colonic anastomoses in rats after ligation of the common bile duct (Gulcelik and others) (OA) 213

Adrenal cortex
Radiology for the surgeon: musculoskeletal case 34 (Ryan and Munk) (CME) 47

Adrenal gland neoplasms
Leiomyosarcoma of the inferior vena cava (Jenkins and others) (CN) 252
Retroperitoneal hemorrhage secondary to a ruptured cavernous hemangioma (Forbes) (CN) 78

Adrenergic beta-agonists
Insulin responses to glucose and isoproterenol decrease with age (Watters) (OA) 110

Age factors
Comorbidity and age are both independent predictors of length of hospitalization in trauma patients (Bergeron and others) (OA) 361

Aging, physiology
Insulin responses to glucose and isoproterenol decrease with age (Watters) (OA) 110

Alcoholic intoxication
Snowmobile trauma, alcohol and the law: a reply (Stewart) (C) 99

Altitude
Splenic syndrome in patients at high altitude with unrecognized sickle cell trait: splenectomy is often unnecessary (Sheikha) (OA) 377

Analgesics
Efficacy and safety of controlled-release oxycodone and standard therapies for postoperative pain after knee or hip replacement (de Beer and others) (OA) 277
Pain relief (Gross) (C) 338
Patient satisfaction with inpatient versus outpatient reconstruction of the anterior cruciate ligament: a randomized clinical trial (Krywulak and others) (OA) 201

Anastomoses, surgical
Locally applied molgramostim improves wound healing at colonic anastomoses in rats after ligation of the common bile duct (Gulcelik and others) (OA) 213

Angiography
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 15. Biphasic computed tomography with mesenteric evaluation of acute mesenteric ischemia (McLeod and others) (EBS) 491
Emergent management of pelvic ring injuries: an update (Mohanty and others) (TCC) 49
Surgical images: musculoskeletal. Giant cell tumour of the sacrum (Alobaid and others) (CME) 328

Angioplasty
Endovascular management of traumatic thoracic aortic injuries (Lawlor and others) (OA) 293

Animals
Locally applied molgramostim improves wound healing at colonic anastomoses in rats after ligation of the common bile duct (Gulcelik and others) (OA) 213

Ankle
Dysplasia epiphysealis hemimelica of the ankle in children (Bakerman and others) (BC) 66
Surgical technique. Posterolateral approach for open reduction and internal fixation of trimalleolar ankle fractures (Talbot and others) (CME) 487
Traumatic growth arrest of the distal tibia: a clinical and radiographic review (Lalonde and Letts) (RA) 143

Anterior cruciate ligament
Patient satisfaction with inpatient versus outpatient reconstruction of the anterior cruciate ligament: a randomized clinical trial (Krywulak and others) (OA) 201

Anti-infective agents
Management of perforated duodenal diverticula (Marhin and Amson) (CN) 79

Anti-inflammatory agents
Radiology for the surgeon: musculoskeletal case 34 (Ryan and Munk) (CME) 47

Aorta, thoracic
Endovascular management of traumatic thoracic aortic injuries (Lawlor and others) (OA) 293

© 2005 CMA Media Inc.

Aortic aneurysm
Surgical images: soft tissue. Recurrent aneurysms (Cartier and Ugolini) (CME) 412
Aortic rupture
Endovascular management of traumatic thoracic aortic injuries (Lawlor and others) (OA) 293
Appendiceal neoplasms
Goblet cell carcinoid of the appendix (Gordon and others) (CN) 251
Arthritis
Bilateral total knee arthroplasty — staged or simultaneous? Ontario's orthopedic surgeons reply (Leitch and others) (OA) 273
Intra-articular steroid hip injection for osteoarthritis: a survey of orthopedic surgeons in Ontario (Kaspar and others) (OA) 461
Pain relief (Gross) (C) 338
Polling surgeons (Gross) (QS) 433
Arthroplasty
Bilateral total knee arthroplasty — staged or simultaneous? Ontario's orthopedic surgeons reply (Leitch and others) (OA) 273
Efficacy and safety of controlled-release oxycodone and standard therapies for postoperative pain after knee or hip replacement (de Beer and others) (OA) 277
Primary total knee arthroplasty in patients receiving workers' compensation benefits (de Beer and others) (OA) 100
Total knee arthroplasty in Klippel-Trenaunay syndrome (Catre and others) (CN) 494
Waiting times and patient perspectives for total hip and knee arthroplasty in rural and urban Ontario (Snider and others) (OA) 355
Athletic injuries
Traumatic growth arrest of the distal tibia: a clinical and radiographic review (Lalonde and Letts) (RA) 143
Atlas
Synchondrosis fracture in a pediatric patient (Reilly and Leung) (CN) 158
Atrophy
Radiology for the surgeon: musculoskeletal case 34 (Ryan and Munk) (CME) 47
Awards and prizes
2004 MacLean–Mueller Prize. Enteral or parenteral nutrition for severe pancreatitis: a randomized controlled trial and health technology assessment (Louie and others) (MMP) 298
Axilla
Melanoma erysipeloides (Karmali and others) (CN) 159 [correction 194]

Back pain
Treatment and outcome of vertebral Langerhans cell histiocytosis at the Children's Hospital of Eastern Ontario (Brown and others) (OA) 230
Bandages
Surgical technique. A simple drain dressing (Mahabir and Wong) (CME) 413
Behavior
Noncompliance with seat-belt use in patients involved in motor vehicle collisions (Ball and others) (OA) 367
Bethune Round Table
Review of a Canadian forum on international surgery: the Bethune Round Table (Taylor and Hollaar) (IS) 479
Biomechanics
How pilot-hole size affects bone-screw pullout strength in human cadaveric cancellous bone (Steeves and others) (OA) 207
Biopsy, fine-needle
Single versus sequential fine-needle aspiration biopsy in the management of thyroid nodular disease (Furlan and others) (OA) 12
Blood transfusion
A mathematical model for fresh frozen plasma transfusion strategies during major trauma resuscitation with ongoing hemorrhage (Ho and others) (OA) 470
Blood vessel prosthesis implantation
Endovascular management of traumatic thoracic aortic injuries (Lawlor and others) (OA) 293
Bone neoplasms
Surgical images: musculoskeletal. Costal hemangioma presenting as rib pain after pneumonia (Roy and Isler) (CME) 152
Giant cell tumour of the sacrum (Alobaid and others) (CME) 328
Bone plates
A comparison of plate versus staple-and-cast fixation in maintaining femoral tibial alignment after valgus tibial osteotomy (Harrison and Waddell) (OA) 33
Bone screws
How pilot-hole size affects bone-screw pullout strength in human cadaveric cancellous bone (Steeves and others) (OA) 207
Breast neoplasms
Benign granular-cell tumour of the breast (Ilvan and others) (CN) 155
Pure invasive micropapillary carcinoma of the male breast: report of a rare case (Erhan and others) (CN) 156
Surgical management of early stage invasive breast cancer: a practice guideline (McCready and others) (OA) 185
Using administrative databases to measure waiting times for patients undergoing major cancer surgery in Ontario, 1993–2000 (Simunovic and others) (OA) 137

C-reactive protein
2004 MacLean–Mueller Prize. Enteral or parenteral nutrition for severe pancreatitis: a randomized controlled trial and health technology assessment (Louie and others) (MMP) 298
Calculi
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 13. Wait-and-see policy or laparoscopic cholecystectomy after endoscopic sphincterectomy for bile-duct stones (Barkun and others) (EBS) 244
Canadian Society of Surgical Oncology
Canadian Society of Surgical Oncology Meeting. April 1, 2005, Montréal Bonaventure Hotel (ABS) 333
Canadian Special Interest Group
Canadian Special Interest Group 2005. Abstracts presented at the American Burn Association 37th Annual Meeting, May 9, 2005, Chicago, Illinois (ABS) 164
Carcinoid tumor
Goblet cell carcinoid of the appendix (Gordon and others) (CN) 251
Carcinoma, ductal, breast
Pure invasive micropapillary carcinoma of the male breast: report of a rare case (Erhan and others) (CN) 156
Case–control studies
Users' guide to the surgical literature. Case–control studies in surgical journals (Mihailovic and others) (EBS) 148
Casts, surgical
A comparison of plate versus staple-and-cast fixation in maintaining femoral tibial alignment after valgus tibial osteotomy (Harrison and Waddell) (OA) 33
Cat-scratch disease
Cat scratch disease presenting as breast mastitis (Gamblin and others) (CN) 254
Chemotherapy, adjuvant
Predictors of referral for adjuvant therapy for colorectal cancer (Ong and others) (OA) 225
Child
Dysplasia epiphysealis hemimelica of the ankle in children (Bakerman and others) (BC) 66
Missile wounds of the femoral head in children (Parsons and Letts) (CN) 330
Seat-belt injuries in children involved in motor vehicle crashes (Santschi and others) (OA) 373
Spinal cord impingement by a displaced rib in scoliosis due to neurofibromatosis (Mukhtar and others) (CN) 414
Synchondrosis fracture in a pediatric patient (Reilly and Leung) (CN) 158
Cholecystectomy
Canadian Association of General Surgeons and American College of Surgeons Evidence Based Reviews in Surgery. 13. Wait-and-see policy or laparoscopic cholecystectomy after endoscopic

sphincterectomy for bile-duct stones (Barkun and others) (EBS) 244
Cholecystitis
Surgical images: soft tissue. Incarcerated gallbladder in a parastomal hernia (St. Peter and Heppell) (CME) 46
Clinical competence
Ce résident doit apprendre! (Warnock) (E) 183
Effectiveness of repeated video feedback in the acquisition of a surgical technical skill (Backstein and others) (OA) 195
Impact of cognitive imaging and sex differences on the development of laparoscopic suturing skills (Donnon and others) (OA) 387
On dissatisfaction (Harris) (C) 338
Penetrating thoracoabdominal injuries in Quebec: implications for surgical training and maintenance of competence (Bergeron and others) (OA) 284
Surgical training (Rulli) (C) 419
Reply (Backstein) (C) 419
This resident has got to learn! (Warnock) (E) 181
Training of Canadian general surgeons: Are they really prepared? CAGS questionnaire on surgical training (Pollett and Dicks) (OA) 219
Clinical trials
Fully informed consent is impossible in surgical clinical trials (Bernstein) (QS) 271
Cohort studies
Population-based study of severe trauma due to electrocution in the Calgary Health Region, 1996–2002 (Laupland and others) (OA) 289
Colon
Canadian Association of General Surgeons Evidence Based Reviews in Surgery. 12. Primary repair for penetrating colon injuries (Taylor and others) (EBS) 63
Locally applied molgramostim improves wound healing at colonic anastomoses in rats after ligation of the common bile duct (Gulcelik and others) (OA) 213
Colonic diseases
Gastocolic fistula secondary to right gastroepiploic–coronary artery bypass (Clark) (CN) 417
Colorectal neoplasms
Appropriate preoperative investigations in the management of rectal cancer (Stern) (QS) 9
Colorectal cancer screening: practices and attitudes of gastroenterologists, internists and surgeons (Hilsden and others) (OA) 434
Common sense for a common problem: the question of screening the average-risk population for colorectal neoplasia (Vinden and McAlister) (QS) 431
Development of quality indicators for colorectal cancer surgery, using a 3-step modified Delphi approach (Gagliardi and others) (OA) 441
Implantation metastasis from adenocarcinoma of the colon into a fistula-in-ano: a case report (Gupta and others) (CN) 162
Predictors of referral for adjuvant therapy for colorectal cancer (Ong and others) (OA) 225
Using administrative databases to measure waiting times for patients undergoing major cancer surgery in Ontario, 1993–2000 (Simunovic and others) (OA) 137
Common bile duct
Locally applied molgramostim improves wound healing at colonic anastomoses in rats after ligation of the common bile duct (Gulcelik and others) (OA) 213
Comorbidity
Comorbidity and age are both independent predictors of length of hospitalization in traûma patients (Bergeron and others) (OA) 361
Predictors of referral for adjuvant therapy for colorectal cancer (Ong and others) (OA) 225
Surgical images: musculoskeletal. Costal hemangioma presenting as rib pain after pneumonia (Roy and Isler) (CME) 152
Comparative study
Primary total knee arthroplasty in patients receiving workers' compensation benefits (de Beer and others) (OA) 100
Congresses
An observational study of duplicate presentation rates between two national orthopedic meetings (Bhandari and others) (OA) 117
Review of a Canadian forum on international surgery: the Bethune Round Table (Taylor and Hollaar) (IS) 479
Constriction, pathologic
Spinal cord impingement by a displaced rib in scoliosis due to neurofibromatosis (Mukhtar and others) (CN) 414
Controlled clinical trials
Meeting the challenge of reducing waiting times for surgery (Warnock) (E) 349
Relever le défi de la réduction des temps d'attente en chirurgie (Warnock) (E) 350
Coronary arteriosclerosis
Cardiac allograft vasculopathy: a review (Ramzy and others) (SBC) 319
Coronary artery bypass
Minimally invasive direct coronary artery bypass for the treatment of isolated disease of the left anterior descending coronary artery (Boodhwani and others) (OA) 307
Correction to volume 47
Ethical issues in molecular medicine of relevance to surgeons (Bernstein and others) (QS) 47(6):414 [correction 48]
Cost-benefit analysis
2004 MacLean–Mueller Prize. Enteral or parenteral nutrition for severe pancreatitis: a randomized controlled trial and health technology assessment (Louie and others) (MMP) 298
Single versus sequential fine-needle aspiration biopsy in the management of thyroid nodular disease (Furlan and others) (OA) 12

Data collection
Current status of Canadian vascular surgery training: a survey of program directors (Forbes and Harris) (OA) 311
Databases, factual
Using administrative databases to measure waiting times for patients undergoing major cancer surgery in Ontario, 1993–2000 (Simunovic and others) (OA) 137
Delayed-action preparations
Efficacy and safety of controlled-release oxycodone and standard therapies for postoperative pain after knee or hip replacement (de Beer and others) (OA) 277
Delivery of health care
On dissatisfaction (O'Farrell) (C) 339
Developing countries
Review of a Canadian forum on international surgery: the Bethune Round Table (Taylor and Hollaar) (IS) 479
Device removal
How pilot-hole size affects bone-screw pullout strength in human cadaveric cancellous bone (Steeves and others) (OA) 207
Diagnosis, differential
Multiple epiphyseal dysplasia in children: Beware of overtreatment! (Bajuifer and Letts) (OA) 106
Diagnostic imaging
Prospective evaluation of the hand-held focused abdominal sonography for trauma (FAST) in blunt abdominal trauma (Kirkpatrick and others) (OA) 453
Disease-free survival
Surgical management of early stage invasive breast cancer: a practice guideline (McCready and others) (OA) 185
Diverticulum
Duodenal diverticulum with retroperitoneal perforation (Bergman and others) (CN) 332
Management of perforated duodenal diverticula (Marhin and Amson) (CN) 79
Drainage
Surgical technique. A simple drain dressing (Mahabir and Wong) (CME) 413
Drug therapy, combined
Management of perforated duodenal diverticula (Marhin and Amson) (CN) 79
Duodenal diseases
Duodenal diverticulum with retroperitoneal perforation (Bergman and others) (CN) 332
Management of perforated duodenal diverticula (Marhin and Amson) (CN) 79
